Our moms taught us to reach for the stars even when we were young. Today, we honor them for their relentless efforts and unconditional love.

CRK wishes all our mom-travelers, airport and airline workers the best of Mother's Day! Thank you for raising us to discover new things and teaching us to be brave enough to take on any challenges.

Happy Mother's Day!

It is an open secret that the rich cultural heritage of Pampanga and surrounding provinces is one of the inspirations behind the interior design of the new terminal building of Clark International Airport.

Today on #WorldHeritageDay, let us celebrate the places that helped shape our identity.

“A leader is one who knows the way, goes the way, and shows the way.”—
John C. Maxwell

Today we commemorate Andres Bonifacio, a leader who exemplified splendid leadership, nationalism, and solidarity.

We wish everyone a splendid holiday.

Happy Bonifacio Day!

#CapitolHillHotelandSuites #RisingToNewHeights #Hotel #Suites #Clark #AngelesCity #BonifacioDay

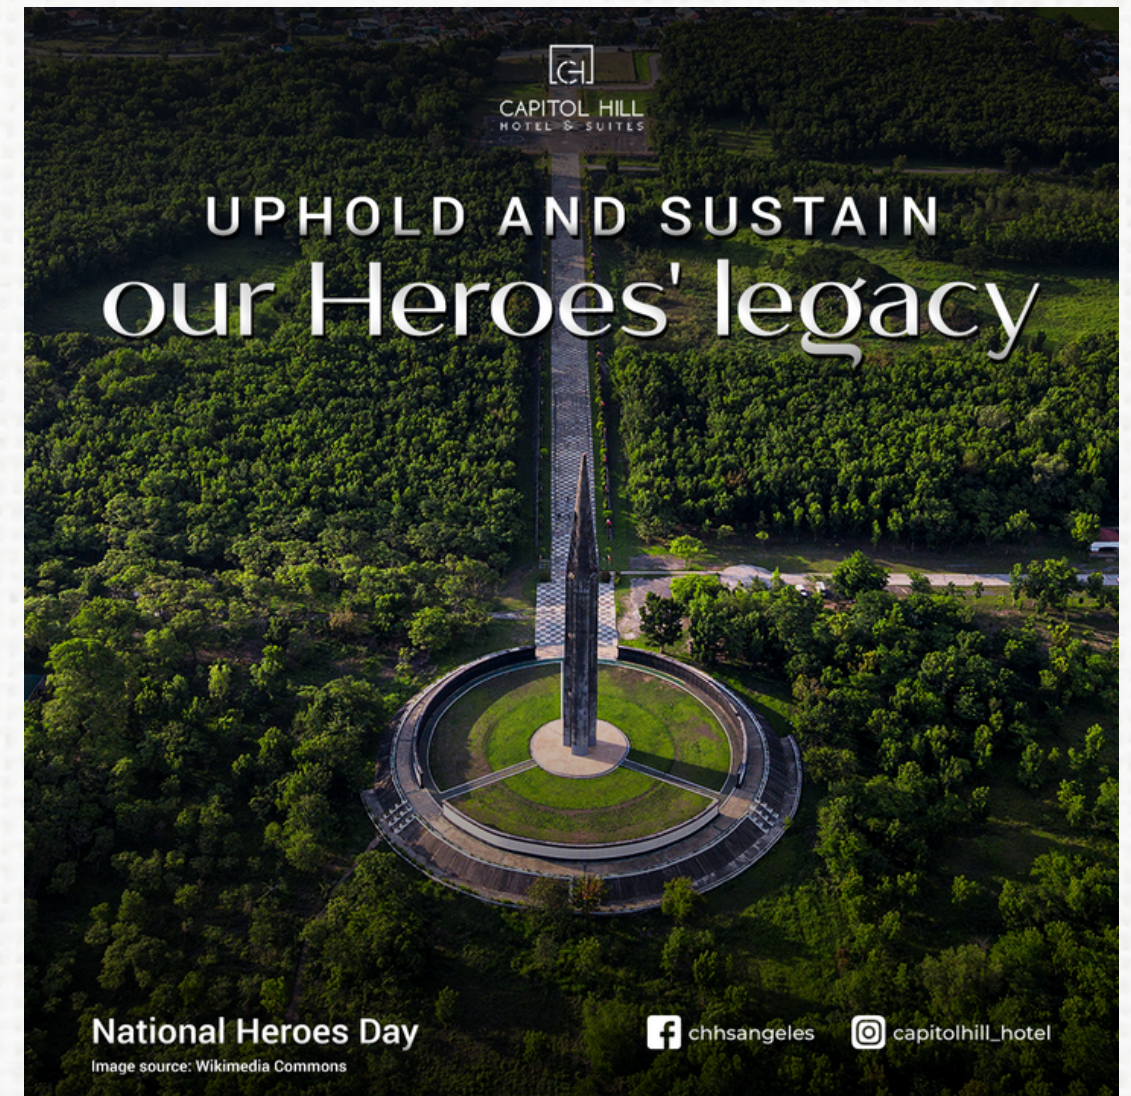

A meaningful commemoration of Rizal Day!

As we look back on the months that came, we have fair share of struggles and comfort, but most importantly, splendid moments of how we overcame each challenges.

Like our national hero, let's put value on the victories born from our sacrifices as we move forward to a new year!

#CapitolHillHotelandSuites #RisingToNewHeights #Hotel #Suites #Clark #AngelesCity #RizalDay #SplendidComfortfor2023

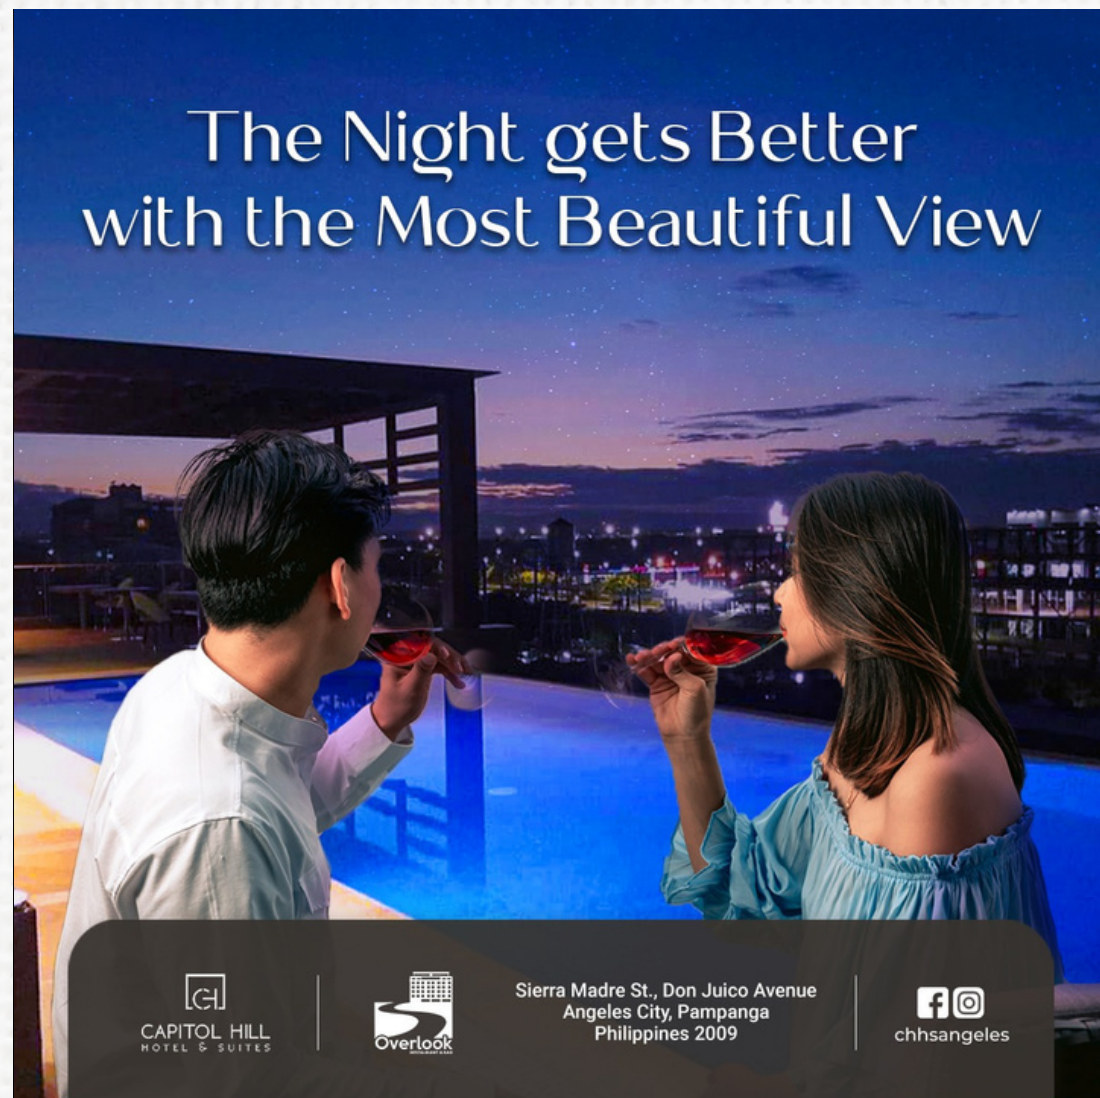

Cheers to our courageous champions who led us to a better tomorrow!

As we look back and reflect, let's remain grateful for the services of our heroes today and yesterday. May their influence inspire us to make impactful choices in our daily lives.

Happy National Heroes Day!

#CapitolHillHotelandSuites #RisingToNewHeights #Hotel #Suites #Clark #AngelesCity #NationalHeroesDay

PERIHELION: Today the Earth is at its closest to the sun

Earth at Perihelion is observed two weeks after the December Solstice. This is the day when the Earth reaches the part of its orbit when it is closest to the Sun.

metroclark
guide

metroclarkguide.com

Lapit nang lapit...

Did you know this? Today, January 5, 2023 (Eastern Hemisphere) The Earth is at the point in its orbit where it is closest to the Sun, called Perihelion (Aphelion is the point of the #Earth's orbit that is farthest away.)

Perihelion comes for the Greek words- "peri," meaning near, and "Helios" for sun or the Greek god of the sun.

#MetroClarkGuide #ClarkGuide #Perihelion
